There are limited numbers for certain classes and someone else may like to take your newly available spot.

Effective June 1, 2017

All UBC members will need a valid IUCSAT card and number with an available status before taking any classes at an IKORCC Training Center.

SPECIAL NOTICE: You must call at least five business days prior to a class to enroll (business days are Monday – Friday). For example, if a class is scheduled to begin on a Monday, you must enroll no later than the prior Monday. If you wish to take a class that is not on the schedule, please call 317-807-1116, ext. 100. As soon as we have enough participants to make this requested class, we will schedule one as soon as possible.
