Indianapolis Campus

To register for enhancement classes, please call 317-807-1116, ext. 100 or email ctucker@ikorccjatf.org. Please leave the following information in your message:

- your name
- UBC #
- telephone number
- class you want to enroll in
- date(s) of the class you want to enroll in

We will only call you in the event the class is canceled. We do not call to verify that you are registered for the class. If you do not hear from us, the class will be held as scheduled and you are enrolled. If your schedule changes or you cannot make it to the class, please call to let us know ASAP. There are limited numbers for certain classes and someone else may like to take your newly available spot.

Effective June 1, 2017

All UBC members will need a valid IUCSAT card and number with an available status before taking any classes at an IKORCC Training Center.

SPECIAL NOTICE: You must call at least five business days prior to a class to enroll (business days are Monday – Friday). For example, if a class is scheduled to begin on a Monday, you must enroll no later than the prior Monday. If you wish to take a class that is not on the schedule, please call 317-807-1116, ext. 100. As soon as we have enough participants to make this requested class, we will schedule one as soon as possible.
